Opportunity is Knocking

HOME BUYING & SELLING EXPO!

Learn what the internet doesn't tell you:
How to buy your first or next home.

The doors are open into a great real estate market! Now is the perfect time to buy or sell a home, and this expo can answer questions you don't even know to ask.

The "rules" have changed radically in the past few years. Our experts will be teaching various courses throughout the day. Visit one or visit them all; it's up to you!

Learn what you need to know before you buy, owe, sell, sign, or construct.

Each course will explain a different aspect of the buying/selling process. Our instructors will include mortgage lenders, realtors, builders, inspectors, and attorneys.

Between classes, local vendors in the housing industry will be there to provide more information and answer the questions that are important to you.
